

BAGOBO R MEDIUM PENDANT CHANDELIER BY AY ILLUMINATE

\$4,500

The Bagobo R Medium pendant by Ay Illuminate is produced in the Philippines by tribes scattered along the desolate eastern coast of the Davao Gulf where ages ago new migrants mixed with the native population to form the community Bagobo, its name derived from the words bago, meaning new, and obo, meaning growth. Made of bamboo over which a handmade paper shade is fitted, the Bagobo R also comes in small and large sizes. All of the materials that make up this pendant are natural, and it is "handmade" in the truest sense of the word. This means longer lead-times may apply and slight variations in the profiles of each pendant may exist.

Available in small, medium and large.
